

CORRECTED FISCAL NOTE

SB 3605 - HB 3378

March 19, 2008

SUMMARY OF BILL: Requires the Department of Health to grant a 30-day period for fact finding relative to violations and corrections of those violations prior to the suspension or revocation of a nursing home license or the loss of federal funds relating to furnishing services by a nursing home.

ESTIMATED FISCAL IMPACT:

On March 5, 2008, we issued a fiscal note indicating *a not significant increase in state expenditures*. Based on additional information provided by the Department of Health, the fiscal impact of this bill has not changed but the assumption used in determining the estimated fiscal impact is as follows:

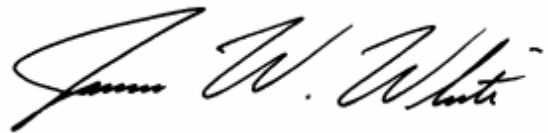

Increase State Expenditures – Not Significant

Assumption:

- Any cost associated with the Department delaying the issuance of findings to the Centers for Medicare and Medicaid Services can be accommodated within existing resources without an increased appropriation or reduced reversion.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
